Extra, Extra

Welcome Back!!! I hope everyone had a wonderful Spring Break! In the classroom, your kiddoes and I had an amazing time traveling around the world, learning about missionaries, and Jesus' Resurrection. Every student has grown so wonderfully! We can't wait for this month's fun!

Happy Grandparents Day

We will not be able to hold a Grandparents day event on campus this year like in the past, but want to give aShout out to all the Amazing Grandparents! Thank you for all you do in your young grandchildren's lives. We appreciate you and pray you're more blessed than ever!
